# APRA Music Copyright Form

**Complete this form and submit by 31 July**  
*We send it to APRA. Photocopy this form if you have more than one dance piece - one form per piece.*

**Working Title:**

**School:**

**Contact:**

Ausdance ACT is legally required to obtain APRA copyright permission for the use of licenced sound recordings in Youth Dance Festival performances and resulting recordings. APRA needs the details on this sheet to process the copyright payment. Every grab or excerpt is payable no matter how short - please don't skip any details, as APRA audited the music in 2010 and it delayed the DVD by two months - and the details were correct!

### Track One
