

## Youth Dance Festival 2015 Photographing & Filming Performances

Dear parent/guardian

As in previous years Youth Dance Festival 2015, held on the 16, 17, 18 September is being filmed on digital video and digitally photographed. This will provide a record of your students' achievement and will be used to create DVDs for sale to parents/ guardians and sets of photographs for sale to schools. Photographs can be ordered through your school.

Ausdance ACT will use photographs of YDF 2015 to create the marketing images for the 2016 Youth Dance Festival. They will also be used by Ausdance ACT for reporting to funding agencies, for some promotion of dance in the ACT by Ausdance ACT, and with a limited on-line presence in the Ausdance ACT website and Facebook page. Photographs will not be sold, or used for any other purpose. Students will not be individually identified at any time, although the school may be identified.

Video footage and the film that opens the show may also be used for promotional purposes e.g. making up a TV advert or posted on Vimeo with copyright control.

Please sign and return this form to the dance teacher by 24 July 2015. Please contact them if you have any particular concerns - we want everyone to have the best experience!

Thank you.

Festival Director, Ausdance ACT
