

2015 CERTIFICATION

As in previous years, Youth Dance Festival 2015, held on 16, 17, 18 September is being filmed on digital video and digitally photographed. This provides a record of the students' achievements and creates DVDs and photographs for sale to parents and schools.

Photographs from YDF 2015 will be used to create marketing images for YDF2016. They will also be used by Ausdance ACT for reporting, general promotion of dance in the ACT, and on our Facebook page and website. Photographs will not be sold, or used for any other purpose, and students will not be individually identified at any time.

The video footage may also be used for promotional purposes e.g. making up a TV advert, extracts posted on Vimeo, or to create an edited program for broadcast on television.

To enable the production to proceed freely, it is necessary for all performers, or their legal guardians, to give permission for them to be photographed and filmed. Please ensure that the Recording Permission Form is copied and handed out to students. We recommend 24 July as a "due date" for students to return forms to you.

Once you have received all clearances please sign this form and return it to Ausdance ACT by the Forms Due Date of 7 August. You should retain all the signed clearance forms from the students; these are not required to be sent to the Ausdance ACT Office.

Of course, there may be some genuine issues for some students - please contact the Youth Dance Festival Director if there are any particular concerns.

FORM DUE ON FRIDAY 7th AUGUST 2015

Teacher name (please print)

School name:

I have received all permission forms for filming / photographing the performers.

Signature:

Date: / /
